Club Member Milestones:

These members have their Kiwanis membership anniversary in June:

M.W. Snell 30 years Michelle Staudt 2 years

Did You know... Kiwanis International has a strategic plan. The International Board of Trustees and Kiwanis members globally have a vision: To turn Kiwanis into one of the most effective volunteer service organization in the world. As such, Kiwanis will be a powerful voice for children everywhere, responding to needs globally and acting as a premier provider of programs that develop capable and ethical leaders.

Kiwanis Service Leadership Programs... Back to school means time for the Builders Club and Key Club to begin a new year. The Builders Club is for students in Middle School, and Key Club is for high school students. If you would like to work with either of these groups, please contact a Kiwanis club officer. Dave Wempen serves as the school contact for the Builders club, and Trish Christiansen the Key Club school contact. Kiwanis empowers people at every stage of life to become competent, capable, and compassionate leaders by helping them learn to help others. Through its Service Leadership Programs, Kiwanis enables its youngest leaders to serve their communities, opening doors for them to change the world. As a Kiwanis member, you have the privilege of serving and guiding these young leaders. Volunteer to help with one of these organizations.

Last Fund Raiser For Year... The last fundraiser for our club this year will be September 3—the annual tail gate supper at the first Hampton-Dumont football game. Plan to sell some tickets and help out. This year we will be in the cafeteria. Join the fun!!

Our Mission Statement: To provide fellowship, leadership, and community service opportunities for Kiwanis members to improve the quality of life in our community and world, and in particular the youth of our area.
